

OPERATION OUR NEIGHBOR

May 2, 2015

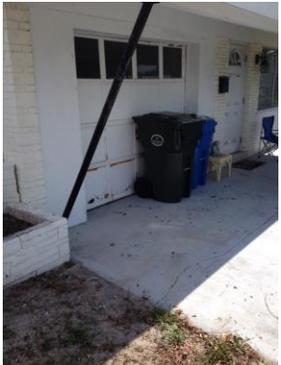

Our latest Operation Our Neighbor was FANTASTIC with such a great group of volunteers helping make a difference in the life of one of our residents. The sun was shining and spirits were high as volunteers dug in to address numerous needs in areas of bulk trash collection and transfer to curbside, returned lawn and hedges to manageable status and addressed plant overgrowth. Many thanks to the HEROs from Memorial Healthcare Systems and The Home Depot for joining the Volunteer Corps for this event. The group gathered for refreshments and met the homeowner. "I can't believe you all would do this for me. You were all so busy!" she said through tears
