

Notice of Construction

Bid Pack 11 is an infrastructure improvement project that **upgrades the area water main and drainage systems**. Bid Pack 11 is located within the Central Region of the City of Oakland Park, between North Andrews Avenue and North Dixie Highway, Park Lane East (NE 38th Street) and Prospect Road. **Construction will tentatively begin in July 2016** and is estimated to be completed by **May 2017**. Pavement restoration will be scheduled following the installation of upgraded water main and drainage systems.

July 2016 – May 2017

Project Improvements for **Bid Pack 11** are as follows:

- **Water Main** Improvements
- **Drainage** Improvements
- **Pavement of Roadways** upon completion of improvements

Bid Pack 11 focuses on the improvement of the City's water and drainage needs.

How will I be affected?

While construction improvements are taking place within the area, you may encounter the following:

- **An increase in mud, water,** and dust along your street, which contractors manage with street cleaning and dust – control watering.
- **Temporary road closures,** where required.
- **Traffic** (route) changes.
- **This project may** require intermittent disruptions to water service.

ADVANCE NOTICE

will be provided prior to water disruption.

ANY DAMAGE

to private property will be repaired!

THANK YOU!

Your patience and continued support is deeply appreciated as we work to enhance the quality of life here in Oakland Park.

Questions?

Communication is a priority for our construction management team. If any issues arise, please do not hesitate to contact us.
