

Broward County News Release

A Service of the Board of County Commissioners, Broward County, Florida

PUBLIC NOTICE: NE 6TH Avenue Drainage Improvements in Oakland Park

DATE: December 29, 2016

MEDIA CONTACT: Anh Ton, Director

PHONE: 954-357-6045

EMAIL: aton@broward.org

BROWARD COUNTY, FL - The Highway and Bridge Maintenance Division (HBMD) will be performing drainage improvements along NE 6th Avenue from NE 40th Court to NE 42nd Street, beginning on Monday, January 9, 2017, and concluding on or before February 28, 2017, barring unforeseen conditions or weather delays.

The purpose of this project is to alleviate flooding conditions. Construction activities include excavating, installing new pipes and drainage structures, backfilling, and restoring impacted pavement.

Traffic impacts during instruction include:

- NE 6th Avenue is a two-lane, two-way roadway. The corridor will be temporarily narrowed down to one lane only; flaggers will control north and southbound traffic
- Access to nearby businesses and side streets will be maintained to the furthest extent possible
- Parking in front of some businesses (within the work zone) will be temporarily unavailable. HBMD staff will coordinate with business owners to accommodate their parking needs. Variable message signs will be posted to warn affected motorists and pedestrians

Project Manager Vilma Melendez can be reached at 954-357-4967 or 954-203-8474 or you can call the Highway and Bridge Maintenance Division office at 954-357-6040.

We appreciate your patience as we complete this necessary road maintenance.

About Highway and Bridge Maintenance Division

The Highway and Bridge Maintenance Division is responsible for the maintenance and construction of County road and highway projects, curbs and gutters, guardrails, rights-of-ways, sidewalks, storm water systems, streets, swales and trees, and mosquito control. Staff resources are available for 24-hour emergency services. Call 954-357-6040 for more information.
