Once again, it's time for our **FREE TREE GIVE AWAY** with the **TREE ASSISTANCE PROGRAM** (offering delivery and planting help to residents in need along with the traditional "pick up").

We're looking for volunteers to help set up and operate this event. Residents will need to be guided to the proper booths. Volunteers may be assigned to various information booths or pull tree orders from residents' selections and, if needed, assist residents with getting trees into their vehicles. Some basic training will be provided. You can also join us at a few properties to help plant some trees.

Volunteers should arrive at 7:30am for set up. Water and light snacks will be provided. Please wear comfortable clothing and footwear (no flip-flops). A hat and sunscreen is also advisable. Tools, gloves and water will be provided for our tree planting road crew.
