

Volunteer to Help Broward County Recycle More!

Broward County Solid Waste and Recycling Services is developing a pilot project to increase recycling in multi-family communities.

This pilot program would utilize volunteers to help residents learn more about recycling, and enhance recycling in multi-family complexes and apartment buildings.

By volunteering you could:

- Receive volunteer hours
- Enhance networking skills
- Build your resume

To be considered for participation in the Multi-Family Homes Recycling Initiative, please complete the registration form on the back of this flyer.

Multi-Family Homes Recycling Initiative

We are building volunteer teams to help with this recycling project. Let us know if you would like to participate by filling out the form below. Participants must:

- Be at least 18 years old
- Live in Broward County
- Be willing to work cooperatively with building management to enhance recycling within the building
- Complete "Recycling in Multi-Family Complexes" training session
