

# PARKS CLEAN UP

Oakland Park has 21 parks for the enjoyment of our residents. Parks vary in purpose from walking trails and waterfront parks to playgrounds, exercise and athletic facilities.

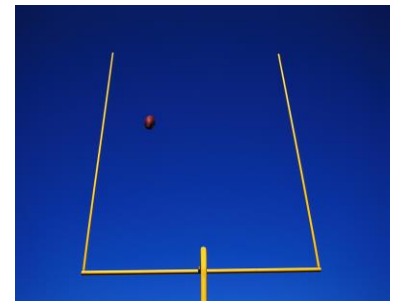

Do you live in a neighborhood adjacent or near to one of our city parks? Are you a member of a group that likes to socialize with a purpose? Are you or your school group looking for community service hours to further your education while addressing environmental issues? SOLUTION???

## VOLUNTEER!!

You control the amount of time you can spend, and the result will mean so much to our residents, park visitors and our youth teams who utilize our athletic fields. Your contribution of volunteerism not only keeps our parks in tip-top shape, but helps our City Parks Department focus on other major concerns that require manpower and machinery.

**GET INVOLVED...HELP KEEP  
YOUR CITY AND PARKS
