

PROFESSIONAL SPEAKERS

Do you have a skill, profession or a talent you can share?

At our Oakland Park Library, we continue to present our series of speakers aimed at educating our community regarding matters that affect us all. We are looking for individuals who can communicate well in a public setting, conveying topics of interest to both themselves and the audience.

Areas of interest might include:

- Changing tax issues
- Medical updates on disease and care
- Governmental entities
- Real estate trends
- Insurance needs and assistance
- Healthcare options
- Storm response
- Issues concerning law
- Social services
- Child care concerns
- Education
- Exercise and fitness

We strive to enhance the lives of our residents and businesses.

If you have knowledge to share in any of the above fields or a specialty of your own, contact us for details. We'd love to facilitate the exchange of ideas and knowledge that affect our community.
