

Infrastructure Improvements Underway!

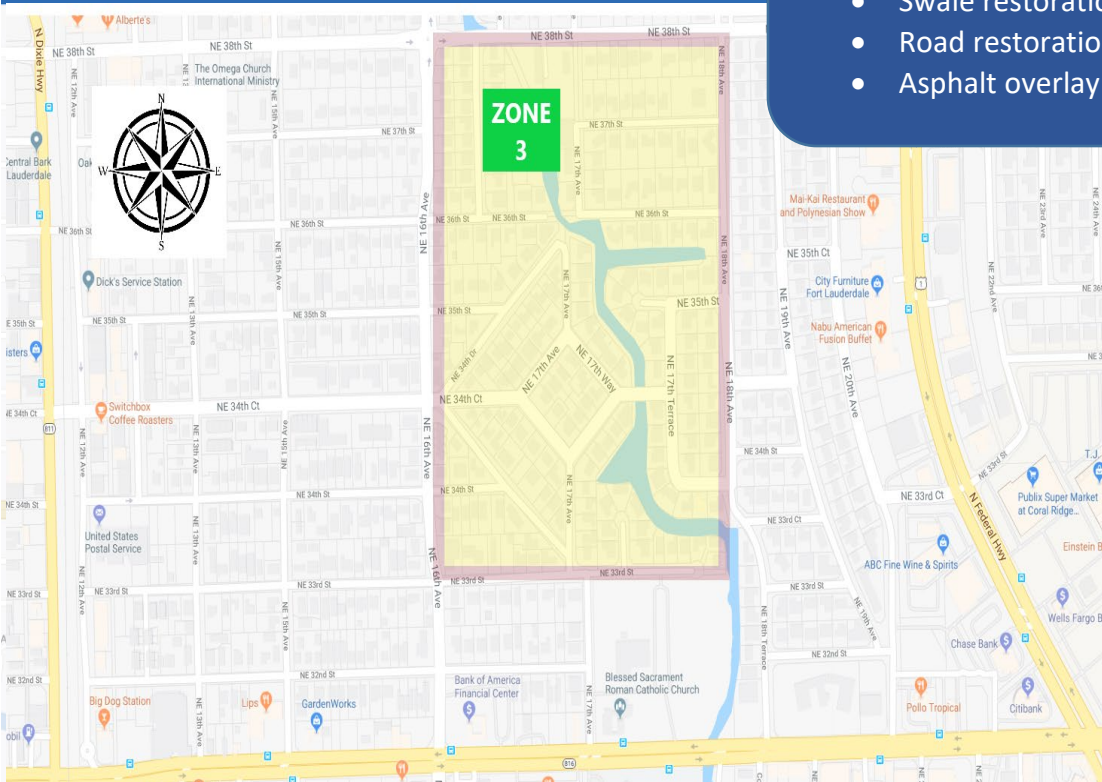

Bid Pack 8 Project Update

What are the improvements?

- Water main replacement
- Swale restoration
- Road restoration
- Asphalt overlay

Construction work will begin on or after January 16, 2019

Roadways Impacted by Construction: ZONE 3

- NE 16th Terrace, NE 17th Avenue and NE 17th Way – From NE 33rd Street to NE 38th Street
- NE 33rd Street, NE 34th Lane, NE 34th Court, NE 34th Drive, NE 35th Street, NE 36th Street and NE 37th Street – From NE 16th Avenue to NE 18th Avenue

We ask for your patience during construction.

While improvements are being made in your area, you may temporarily encounter the following:

- An **increase in dust** along your street, which contractors manage with street cleaning and dust-control watering
- Access limitation to your driveway
- Noise from active construction
