OAKLAND PARK SIDEWALK IMPROVEMENTS PROJECT

The Florida Department of Transportation (FDOT), District Four, will host a Virtual Public Meeting from 5 p.m. until 6 p.m. and In-Person Construction Open House from 6 p.m. until 7 p.m. regarding the sidewalk improvements within the neighborhoods of Central Oakland Park and Harlem McBride in the City of Oakland Park on Thursday, June 2, 2022. Please see detailed meeting information below. Representatives will be available to provide information and answer questions. Project documents will be available at the meeting and available for download from the virtual meeting platform.

The City of Oakland Park, as the Project Sponsor, received funding through the Broward Metropolitan Planning Organization (MPO) and requested that FDOT District Four design and construct the Oakland Park Sidewalk Improvement Project through the City of Oakland Park Resolution R-2016-007. The Broward Metropolitan Planning Organization (MPO) is investing over \$300 million to create safer, healthier communities in Broward County. This project is one of many within a larger plan to create enhanced bicycle, pedestrian, and public transportation access throughout the Broward region. The Broward MPO is a federally mandated agency that is responsible for making decisions on local transportation issues and deciding how to spend federal funds on transportation projects within Broward County. For more information about the Broward MPO, please visit: browardmpo.org.
