

CITY OF OAKLAND PARK, FLORIDA CITY COMMISSION AGENDA ITEM REPORT

AGENDA ITEM NO. 1

MEETING DATE: 5/19/2010

PREPARED BY:	Christopher M. Gratz, AICP, Senior Planner	DEPARTMENT HEAD APPROVAL:	ENGINEERING / CD
	Dave Womacks, Public Works Director		
	Ken Resor, Assistant Public Works Director	CITY MANAGER APPROVAL:	FINANCIAL SERVICES

SUBJECT: Blanket Dumpster Enclosure Exceptions

1. BACKGROUND/HISTORY

Problem Statement: A Public Hearing must be held in order to grant an exception from City Code Chapter 13 requiring a dumpster, roll-off or compactor be enclosed. There are areas within the City of Oakland Park where it is evident a general exception may need to be granted by the City Commission. Processing the numerous exception applications within these identified areas will require a substantial amount of time and fiscal resources from the property owners, City staff, and the City Commission.

Proposed Solution: Approve the staff-initiated dumpster, roll-off and compactor granting of exceptions for selected areas of the City of Oakland Park.

On April 15, 2009, the City Commission approved an ordinance (City Code Chapter 13-23) requiring all permanently located refuse or recycling mechanical, dumpster, compaction, or roll-off containers in use within the city limits be screened from the view of any public right-of-way by April 15, 2010.

The ordinance has a provision for exceptions to be granted by the City Commission and waivers by the Development Review Committee. An exception is an instance where the owner is requesting the container not be enclosed. A waiver is an instance where an enclosure can be built but only if the required setbacks, parking spaces, and/or open spaces are waived.

At the April 7, 2010 City Commission meeting, staff presented the concept of developing a blanket application in certain areas of the City on behalf of property owners located within those areas for dumpster, roll-off and compactor exceptions. The City Commission concurred with the concept and recommended a public hearing be conducted to consider the approval of the exception areas.

2. CURRENT ACTIVITY

The areas recommended for exceptions from the dumpster, roll-off and compactor enclosure requirements of the City Code are highlighted on the attached map series and each property is listed on Exhibit "A". There are a total of 424 properties with approximately 162 dumpsters currently located within the exception areas.

In these areas the dumpsters, roll-off or compactors have one (1) or more of the following characteristics:

1. They are not visible from a residential area.
2. Lot conditions make compliance impractical.
3. The visibility from a roadway is minimal.
4. The safety of the collection vehicle or the public in general would be compromised by the construction of the enclosure.

All property owners where the dumpsters, roll-offs or compactors are located, and all property owners within five hundred (500) feet of the site have been notified via the U.S. mail of the public hearing, and the required legal notice has been published.

3. ATTACHMENTS

[Dumpster Exception Area 5](#)
[Dumpster Exception Area 6](#)
[Dumpster Exception Area 7](#)
[Dumpster Exception Area 8](#)
[Dumpster Exception Area 9](#)

4. FINANCIAL IMPACT

Funds are available within the existing operational budget to cover the cost of the mailings and public advertisement. There will be significant savings in staff, property owners and City Commission time and fiscal resources if the blanket exceptions areas are granted.

5. RECOMMENDATION

Approve the Development Order granting exceptions from the dumpster, roll-off and compactor enclosure requirement on the properties listed in Exhibit "A".

**DEVELOPMENT ORDER
OF THE
CITY COMMISSION OF THE
CITY OF OAKLAND PARK, FLORIDA**

OWNERS/PROPERTY LOCATIONS: Multiple, see Exhibit "A" Property Owner List

DATE OF PUBLIC HEARING BEFORE THE CITY COMMISSION: May 19, 2010

TYPE OF ACTION SOUGHT: Exception from §13-23(B) which requires that all permanently located refuse or recycling mechanical, dumpster, compaction or roll-off containers in use within the city limits shall be screened from view of any public right-of-way or alley.

THIS MATTER came to be heard before the City Commission of the City of Oakland Park, Florida on the date of hearing stated above. The City Commission having considered the action sought by the applicant and heard testimony from the applicant, members of the City Administrative Staff and the public finds as follows:

1. The application, made by the Applicant, is consistent with the requirements of the City's Land Development Regulations.

2. The Applicant
 ___ HAS
 ___ HAS NOT

established, by substantial competent evidence, a basis for the action requested.

3. The condition for development requested by the Applicant, Administrative Staff, or suggested by the public and supported by substantial competent evidence as set forth in the staff report which is attached and labeled as Exhibit "B".

4. The Applicant's application is hereby
 ___ GRANTED
 ___ DENIED

5. This Order shall take effect immediately upon issuance by the City Clerk.

6. All further development on the property shall be made in accordance with the terms and conditions of this order.

DATED: May 19, 2010

ALLEGRA WEBB MURPHY
MAYOR

JOHN STUNSON
CITY MANAGER

JANETTE SMITH
CITY CLERK

ORDINANCE NO. O-2009-010

AN ORDINANCE OF THE CITY COMMISSION OF THE CITY OF OAKLAND PARK, FLORIDA, AMENDING CHAPTER 13, CODE OF ORDINANCE, SOLID WASTE, SPECIFICALLY SECTION 13-08, PLACEMENT FOR COLLECTION; AND CHAPTER 24, CODE OF ORDINANCES, LAND DEVELOPMENT CODE, SPECIFICALLY SECTION 24-106 (B) (3) ENTITLED, MANDATORY LOCATIONS; PROVIDING FOR SEVERABILITY; PROVIDING FOR CONFLICTS; PROVIDING FOR CODIFICATION; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, on November 15, 1989, the City adopted ordinance 89-20 which required that all newly placed dumpsters be enclosed with a fence or concrete wall;

WHEREAS, dumpsters placed on properties prior to November, of 1989, remain unscreened and some dumpsters are located within public rights of ways and alleys.

WHEREAS, the City of Oakland Park performed a Community Appearance Study which was completed in November of 2006, which recommended that all dumpsters placed prior to November 15, 1989, be screened from view of roads and residential areas.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COMMISSION OF THE CITY OF OAKLAND PARK, FLORIDA THAT:

Section 1. The foregoing "Whereas" clauses are hereby ratified and confirmed as being true and correct and are hereby made a part of this Ordinance.

Section 2. That Chapter 13, "Placement for Collection" Section 13-8 is hereby amended as follows:

Sec. 13-8. Placement for collection and removal after collection.

(a) All solid waste carts and recycling containers to be emptied by the public works department shall be placed at the locations designated by the city before 7:00 a.m. and removed by 11:00 p.m. on the collection days designated by the department. Solid waste carts and recycling containers may be placed in a public right of way for collection in a manner which does not impede the safe flow of vehicular or pedestrian traffic. All solid waste carts and recycling containers, if visible from the right of way, shall be stored

1 behind the front, or side of the building provided service, where lot conditions allow for
 2 such storage. Containers which are not removed from the collection locations by the time
 3 allowed in this section are subject to removal and proper placement by the service
 4 provider. The customer will be charged for the service provider's removal service. A
 5 service fee, on file in the city clerk's office, for each such removal service provided by the
 6 service provider shall be assessed against the owner or occupant of the property and shall
 7 be collected in the manner provided by section 13-11.5. The fee shall be supplemental to
 8 any other penalties provided for violation of this section.

9
 10 **Sec. 13-23. Placement and screening of refuse and recycling mechanical, dumpster,**
 11 **compaction, and roll-off containers.**

12
 13 (A) All refuse and recycling mechanical, dumpster, compaction, and roll-off
 14 containers shall be placed for storage in a location approved by the Public Works
 15 Director, or designee. No such container shall be placed for storage in a right of
 16 way, but with the approval of the Public Works Director or designee, may be
 17 temporarily placed in a right of way if necessary for collection.

18
 19 (B) All permanently located refuse or recycling mechanical, dumpster,
 20 compaction, or roll-off containers in use within the city limits shall be screened
 21 from view of any public right-of-way or alleyway by April 15, 2010, as follows:

22
 23 (1) Screening shall be on at least three sides and shall consist of wood,
 24 vinyl-coated chain-link fence with slats, brick, stone, concrete or similar
 25 material of a quality approved by the Public Works Director. The
 26 unscreened side shall not be visible from a public right-of-way, alleyway
 27 or residential zoning district. The screening shall encompass the full
 28 height, length, and width of the container, and shall meet land
 29 development code requirements. All screenings shall be maintained for
 30 function, safety, and appearance.

31
 32 (2) Gates intended for service access shall provide an opening width of at
 33 least 10 feet for each mechanical container, and shall be designed to
 34 remain open when collection service is provided. Gates shall be required
 35 when the service entrance of the screening enclosure faces a public right-
 36 of-way, alleyway or is visible from a residential zoning district.

37
 38 (3) Where a gate in the screening structure faces a public right-of-way,
 39 alleyway or is visible from a residential district, the gate shall be closed
 40 except when collection service is provided. The service provider may
 41 close any gate left open in violation of this subsection. A service fee, on

1 file in the city clerk's office, for each such closure service provided by the
 2 service provider shall be assessed against the owner or occupant of the
 3 property and shall be collected in the manner provided by section
 4 13-11.5. The fee shall be supplemental to any other penalties provided for
 5 violation of this section.

6
 7 (4) All screening structures shall be reasonably accessible for collection
 8 service vehicles and shall not be located within the right-of-way of any
 9 public street or alleyway.

10
 11 (5) Refuse containers which are the subject of this ordinance shall be
 12 located as far as practical from abutting residential property lines.

13
 14 (C) When existing site conditions do not lend themselves to a location that
 15 conforms with the requirements of this section, the Development Review
 16 Committee is authorized to grant waivers from the required number of required
 17 parking spaces, minimum pervious area requirements, or landscaping, buffering,
 18 and/or setback requirements of the Land Development Code in order to
 19 accommodate the location of an existing refuse or recycling mechanical,
 20 dumpster, compaction, or roll-off container in conformance with paragraph (B)
 21 above. In considering which, if any, waivers to grant, the Development Review
 22 Committee shall consider the number, extent and relative importance of existing
 23 and resulting non-conformities to proper site functioning and compatibility with
 24 adjacent uses. Appeal of a rejected waiver request may be made to the Public
 25 Works Director or other designee of the City Manager within 10 days of written
 26 notification of the rejected waiver.

27
 28 (D) In circumstances where it is not physically possible for a property to
 29 accommodate a refuse or recycling mechanical, dumpster, compaction, or roll-off
 30 container and the required screening enclosure; and where the granting of waivers
 31 is deemed unacceptable by the Development Review Committee; and where the
 32 container is situated in a public right of way, service shall be changed from
 33 dumpster to cart service.

34
 35 (E) The City Commission, following review and recommendation by the
 36 Development Review Committee, at a duly noticed public hearing may grant
 37 exceptions to the container screening enclosure requirements of this section, and
 38 allow the container service to remain, where specific lot conditions make
 39 compliance impractical, the visibility of the container from a roadway is minimal,
 40 or the safety of the collection vehicle or the public in general would be
 41 compromised by the construction of the screening enclosure.

(F) Temporary mechanical, dumpster, compaction or roll-off containers used for the collection of refuse or recycling during special events for a period of less than 7 days are exempt from the container screening requirements contained in this section.

(G) Refuse or recycling mechanical or dumpster containers on wheels which are stored out of the public view, except during collections, are exempt from the screening requirement of this section.

(H) Temporary mechanical, dumpster, compaction or roll-off containers used for the collection of refuse or recycling during construction activities are exempt from the container screening requirements contained in this section.

Section 3. That Chapter 24, "Mandatory Locations" Section 24-106 (B) is hereby amended as follows:

(3) Dumpsters:
~~All dumpsters and recycling containers shall be enclosed by a six-foot fence or concrete wall. Such enclosure shall have double gates each seven and one-half (7 1/2) feet wide minimum, in the front, set back five (5) feet from any driveway or aisle.~~

Section 4. If any section, subsection, sentence, clause or provision of this Ordinance is held invalid, the remainder of this Ordinance shall not be affected by such invalidity.

Section 5. That all Ordinances or parts of Ordinances and all resolutions or parts of Resolutions in conflict with this Ordinance are repealed to the extent of such conflict.

Section 6. It is the intention of the City Commission of the City of Oakland Park, that the provisions of this Ordinance shall become and be made a part of the Code of Ordinances of the City of Oakland Park, Florida, and that the Sections of this ordinance may be renumbered, re-lettered and the word "Ordinance" may be changed to "Section," "Article," or such other word or phrase in order to accomplish such intention.

Section 7. This Ordinance shall be effective upon its passage and adoption by the City Commission of the City of Oakland Park.

1 PASSED BY THE CITY COMMISSION OF THE CITY OF OAKLAND PARK,
