Searching for eBooks on OverDrive

1. Visit the Library's website and click on "Catalog, eBooks & Resources."

http://oaklandparkfl.gov/200/Ethel-M-Gordon-Oakland-Park-Library
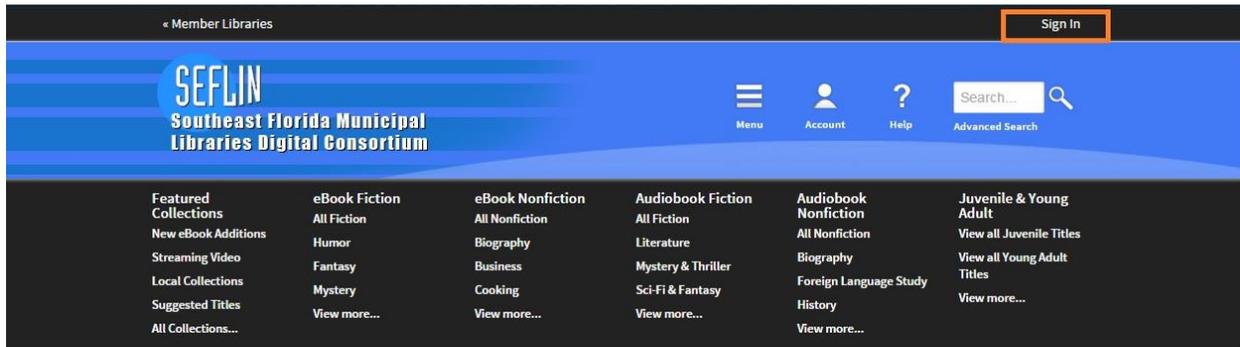

2. Click on the eBooks link.
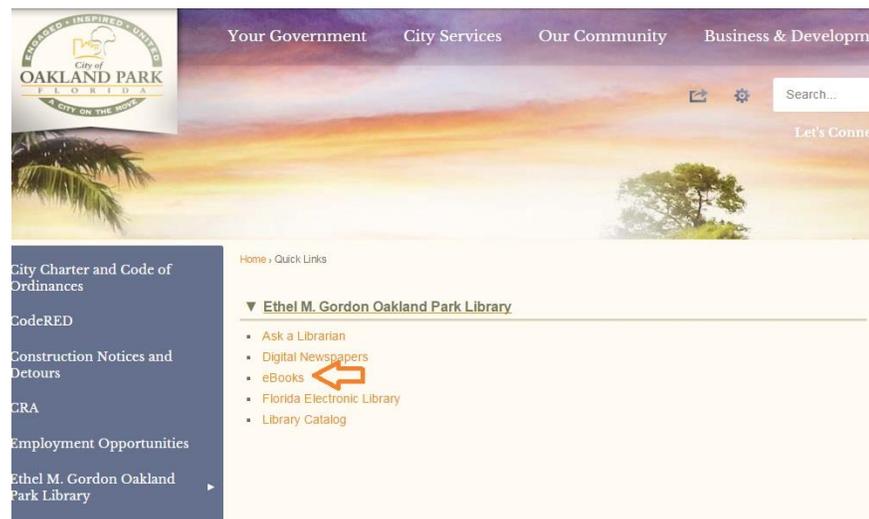

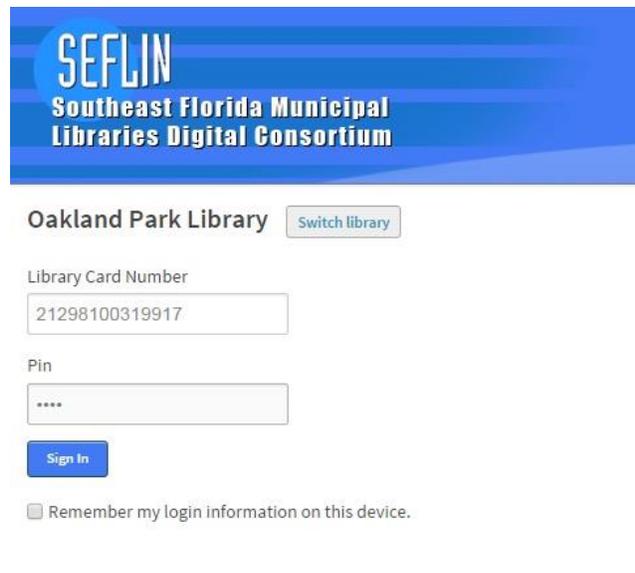

3. Click on the Sign-In button.

4. Since you got to this screen through our website, it should automatically have Oakland Park Library selected. Use your library card number (barcode) and 4-digit pin number from your card to sign in.

5. Use the search bar in the top right corner to make your search for a title or author. Hover your cursor over the book you want to check out and you'll see a "Borrow" button. Click it.
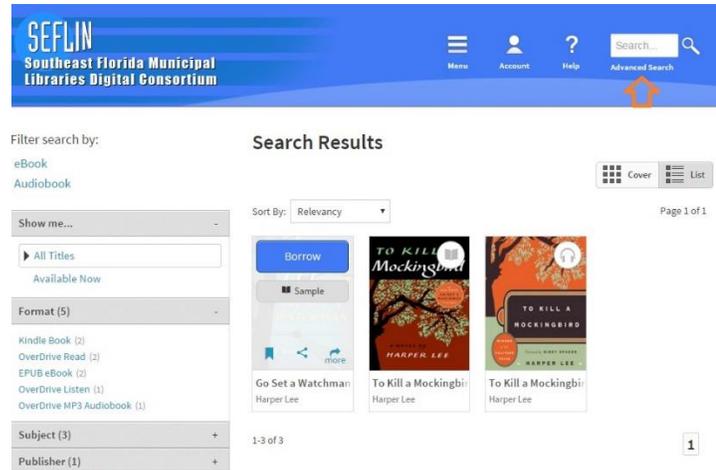

6. Clicking "Borrow" will bring a pop-up box that tells you it has been added to your account and tells you how many checkouts you have left. You should also have the option of returning the book if you borrowed it by mistake. Click on "Go to Checkouts" to read the book in-browser.
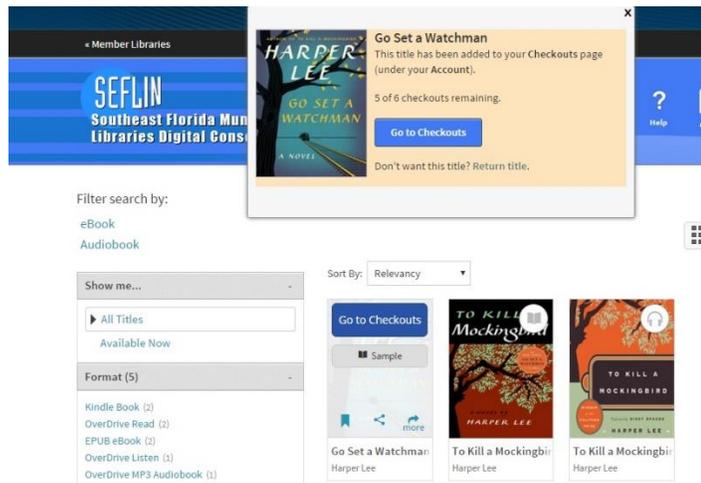

7. From this page, you can see your account details to the right-hand side, download the book in Kindle or ePub format, read in browser, or return the title.
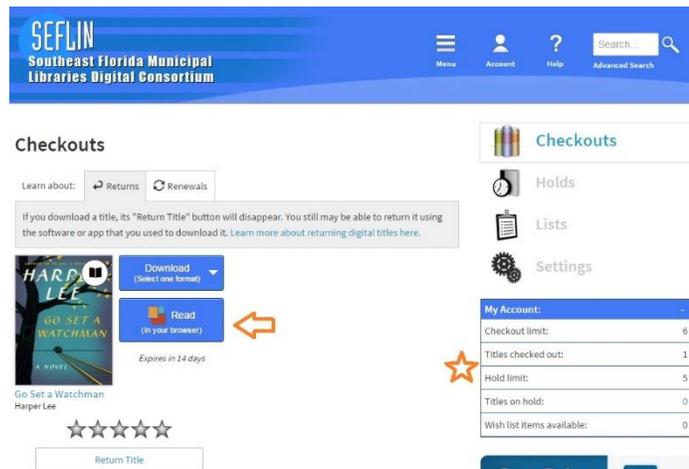

8. Clicking on "Read in Browser" opens up a new tab or window in your browser with the book. Click and drag the pages from right to left to turn the pages.
