READ AND INITIAL (FOR AUTOMATIC BANK DRAFT PAYMENT OPTION ONLY)

I authorize the Financial Institution named on my voided check to pay my monthly utility bill by charging each payment to the account specified by me. I agree that each payment shall be the same as if it were an instrument personally, signed by me. This authority is to remain in effect until revoked by me in writing. In addition, I have the right to stop payment of a charge by notifying Utility & Billing Services 10 business days prior to the due date on my bill. If I do stop payment, I will still be responsible for payment of my utility bill by the due date. I understand however that both the Financial Institution and the City of Oakland Park reserves the right to terminate this plan or my participation therein. A service fee of \$15.00 or 5% of the draft amount, whichever is greater, will be charged for all returned bank draft payments.

Initial: _____

Please read and check each box below indicating you have read and understood.

- All utility bills are due upon receipt. A 1.5% or \$10.00 penalty, whichever is greater will be applied to all balances that are not paid within 25 days of the billing date.
- Delinquent accounts will be subjected to termination and all applicable fees and service charges. Delinquent utility accounts, in an owner's name, will result in a lien being placed on the owner's property.
- Deposits shall be held in a non-interest-bearing account, all deposits (if not transferred) are applied to the final bill. If the deposit exceeds the final bill, and no other outstanding fees or charges exist, then the remaining credit balance will be refunded.
- All payments that are returned as unpaid will result in immediate service interruption without further notice.
- An administrative fee of twenty dollars (\$20.00) shall be charged to open a commercial cart service account. If the account is opened in conjunction with a water service account, an administrative fee of fifty-five dollars (\$55.00), covering both services, shall be charged.
- An administrative fee of fifty dollars (\$50.00) per dumpster shall be charged to open a new dumpster service account. If the account is opened in conjunction with water service, an administrative fee of twenty dollars (\$35.00) plus fifty dollars (\$50.00) per dumpster, covering both services, shall be charged.
